Piano Lessons

Piano Pedagogy Program at University of Central Oklahoma (UCO)
Sponsored by the
Oklahoma Center for Arts Education (OCAE) and the UCO School of Music

Program description:

The program is a two year commitment beginning in the fall of 2010 offered exclusively to beginning piano students ages 7 and 8 with no prior music skills.

The program is designed for UCO students' internship opportunities to teach young children and to measure their teaching effectiveness. It is also a great opportunity for young students to learn piano in both a group setting as well as a private lessons setting at an affordable rate!

Each student will be interviewed (by the program director, Dr. Charoenwongse) and placed with a private lessons intern. Each week the student will participate in a 30 minute private lesson (scheduled on Wednesday afternoon between 2:30 pm and 6 pm). The student will also participate in a fifty minute group lesson once a week (Mondays from 4:30 pm to 5:20 pm) led by the interns. All lessons are supervised.
